Summary

Seasoned full stack developer with a passion for crafting exceptional web experiences. I'd like to build amazing and interesting things that matter. Over the course of my 12-year career, honed my skills in both front-end and back-end development, working with a variety of programming languages and frameworks including blockchain.

Passionate about staying up-to-date with the latest web technologies and staying ahead of the curve. With a passion for clean, elegant code and a results-driven mindset, I am dedicated to creating web solutions that exceed expectations.

I Love – **Create, Challenge, Collaborate.**

EXPERIENCE

04/2017 – 09/2019, FRONTEND DEVELOPER, **UneeQ**
